RISK MANAGEMENT COMMITTEE

RISK MANAGEMENT STUDENTS' AWARENESS

Recognize it · Report it · Resolve it

◀ WHY IT MATTERS

Every student plays a vital role in keeping our university safe, responsible, and resilient. By identifying and reporting risks early, we can prevent problems before they happen and strengthen our learning community.

◀ KNOW THE DIFFERENCE

A Problem → Already exists and needs immediate attention.

A Risk → Might happen in the future if not identified or managed early.

◀ HOW STUDENTS CAN HELP

Type of Risk	How You Can Be Involved
Strategic	Give feedback in surveys about college direction and course relevance.
Operational	Report broken equipment, timetable, or classroom issues.
Compliance	Report misconduct, academic honesty, or safety concerns.
Reputational	Use social media responsibly and participate in positive outreach.
Technical	Report phishing attempts or LMS / portal problems.

REPORT YOUR CONCERNS

Students can report through:

- Academic Advisors
- Class Representatives (CRs)
- Student Affairs
- Risk Management Committee
- CPS Management
- E-Suggestion Box QR Code

OUR SHARED RESPONSIBILITY

Together, we protect our university's:

- Academic integrity
- Safety and well-being
- Reputation and trust
